Tile Matching

Sequence Matching

Spot the Difference

Whack-a-Mole

Tile Matching

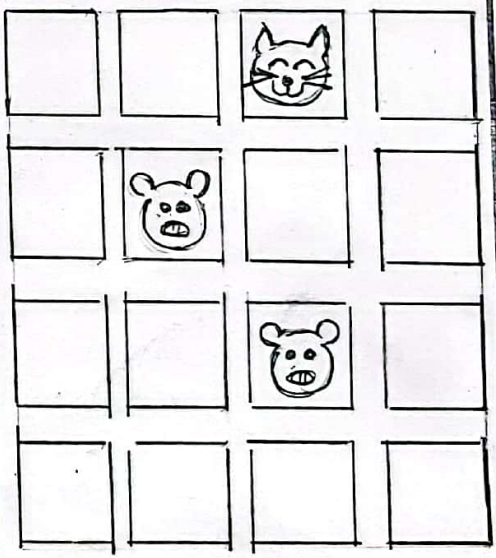

Instructions:

- Tap a tile to flip and reveal the symbol.
- Flip another tile to try and find a match.
- Matched pairs stay revealed.
- Find all matching pairs to win!

Play

Tile Matching

Score: 10

Restart

Sequence Matching

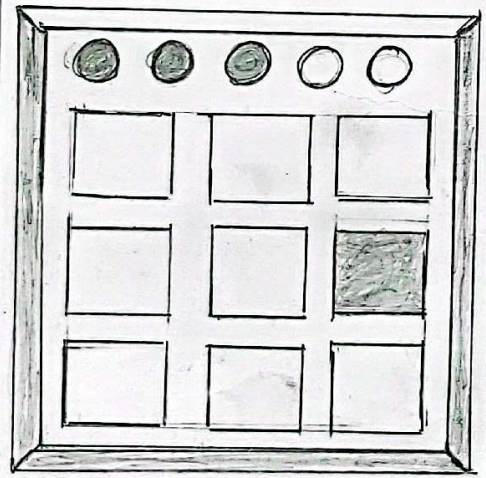

Instructions:

- Watch the pattern of buttons that light up.
- Memorize the sequence shown.
- Repeat the same pattern by tapping buttons.
- Each round adds a new button to the sequence.
- One mistake and the sequence resets!

Play

Sequence Matching

Score: 15

Restart

Spot the Difference

Instructions:

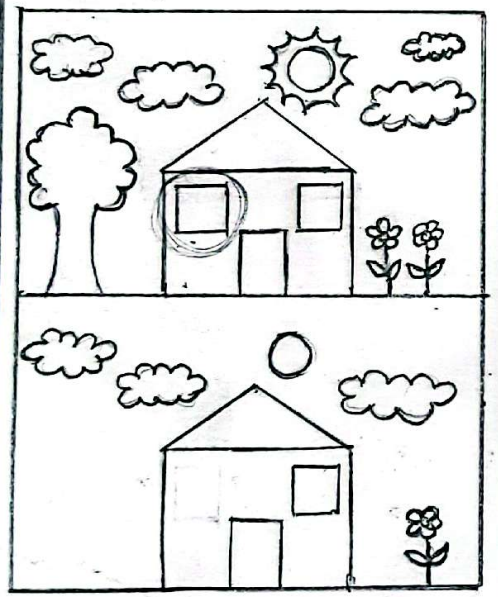

- Compare the two images shown.
- Tap on areas where you spot a difference.
- A red circle appears if you're correct.
- Find all the differences to complete the game!

Play
